Enthusiastic team-player with five years' experience in the cleaning industry with Noonan's Cleaning Services. Used to working with all the cleaning materials and solutions used in the process of cleaning. Good communications and people skills with excellent teamwork experience and an ability to complete all his tasks to tight deadlines. Flexible and hardworking with a good work ethic and a willingness to learn and upskill as necessary. Now seeking a position with an organisation where I can utilise my current skills and develop new ones while establishing a successful career.
